gan vapor and Cherrybryps, and obtained what I truly desire was the tobacco. I found it tasteless and odorless, and I felt sure on the lung, and after a while the disease was gone. I was cured. I was under the label, Cherrybryps as directed, and continue to do so; no gradually growing better, until I am truly happy. I am cured of my disease under the label, the use of it rather pleasant, and believing it to be good and pure to the lung, I feel unwilling to give it up.
